MY PROFILE

With over five years of experience in the graphic design field, I am a skilled and dependable illustrator. Highly proficient in a variety of programs, including Adobe Indesign, Illustrator, Photoshop and CorelDraw. Expert at developing animations, mock-ups and drafts, with extensive illustration skills, specializing in asset creation for design architects and graphic artists. I have experienced with website designs. **Click Here to Visit my Website.** <https://albertgraphics.onrender.com/>
