Sir/Ma,

PERSONAL INTRODUCTION

My name is Ekuase Imasuen, based in London, Ontario, Canada and I have Bsc from University of Benin and Diploma in Website Development and Programming and a Network Technical Support from Conestoga College, Canada. I have more than 5years of experience as website developer. I have extensive knowledge in **HTML, CSS, JavaScript, Bootstrap, TailwindCSS, PHP, MySQL, Postgresl, ReactJs, MERNStack, RESTful API** and with this programming languages, I have been able to build more than 5 website application including a Hospital Management System for a Clinic and a Website for a Microfinance Finance.

I also have more than 3years experience in Digital Marketing and Content Creation. I have extensive knowledge in Graphic Designs, 2D Video Cartoon Explainer, Social Media Marketing, SEO and more.

As the technology is growing rapidly, I am currently learning advance concepts in python programming and data analysis. This move is to help me become a better full-stack programmer.

Please find attached my resume and feel free to contact me directly should you require anything further.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

Ekuase Imasuen

Ekuse Imasuen,

(226) 927 9233 | Email: studentxapp@gmail.com | www.linkedin.com/in/ekuse-imasuen

Profile: I am a passionate business tech-person who likes working with people in the business domain. My extroverted personality helps me to relate and develop contact people in the marketplace. I possess excellent problem-solving, critical thinking skills and simple observations of business. With my knowledge of accounting and computing skills, I can handle sales professionally.
